## Cheetah Club

Cheetah Club is the on-campus before and after school age care program open to K-5 students from Cherry Valley and ERMA. As an enrichment based center, students have many opportunities to explore new areas of interest in a safe and nurturing environment with experienced district staff. Children play an active role in planning projects and activities. This helps to improve confidence, character and leadership skills. Students have numerous opportunities to practice teamwork, explore their creativity, learn empathy, develop multi-age friendships, and improve reasoning and conflict resolution skills. ## PTA

Cherry Valley is especially strengthened through its relationship with the Cherry Valley PTA. Each year, our active PTA organizes and coordinates hundreds of volunteer hours for activities such as vision and hearing screenings, Make a Difference Day, school pictures, the Back to School Bash, bingo and skate nights, the Cheetah Walk, and the Art Docent program. Cherry Valley PTA has an annual budget of more than \$40,000 to support programs, projects, and additional materials that enhance the educational quality of our students, like our new playground addition and after school enrichment programs.
