Welcome to Cherry Valley Elementary, Home of the Cheetahs!

Cherry Valley is a community-based K-5 elementary school of 515 students and 60 staff members. We are very proud of our students, our families and our community. We are located in beautiful Duvall, Washington, 25 miles Northeast of Seattle. We are situated in the stunning Snoqualmie River Valley in a community small enough to feel personal and close enough to the Seattle metro area to provide access to any desired “big city” amenities.

Cherry Valley offers rigorous and engaging instruction for students in grades K-5. We offer a wide variety of before and after school enrichment and support opportunities as well as before and after school care on site.

Cherry Valley staff is highly trained and experienced. We are dedicated to the success of each and every Cherry Valley Cheetah and believe this is best achieved through diverse learning opportunities and strong school and family partnerships.

At Cherry Valley Elementary, we often use the words “be the best you can be” to help our students understand our expectations. Whether we are talking about our behavior at recess, in the cafeteria, in the classroom, or on a field trip, we want our students to show their best selves and to do their very best work each day. Our school strives to be an inclusive learning environment where leaders are safe to learn and learners are safe to lead.

We are very fortunate to enjoy a highly supportive PTA and parent community who tirelessly support the students and staff at Cherry Valley. We invite you to join us in our efforts to make Cherry Valley Elementary the very best it can be!

Cherry Valley Elementary is a house of learning.

Sincerely,
Heather Sánchez
Principal

Facility Information
Cherry Valley Elementary is an integral part of the Duvall community. The building is used, after school hours, on a regular basis by a number of community and civic groups.

The building was originally opened in 1957 with additions in the mid-70s and mid-80s. Our recent remodel included updating the 1980 and 1989 Cherry Valley additions along with construction of a lunchroom and kitchen and improvements to the parking lot and campus access.

School Improvement Goals 2014-2016

Literacy
By the end of the spring assessment window, 100% of all students in grades K-5 will be proficient in literacy and math as evidenced by spring MAP Reading/Math (Common Core) and Spring AimsWeb literacy/math benchmark measures.

Sub-Goal:
By June 1, all students will show at least one year’s growth in literacy and math. Students who are below proficient will show more than one year’s growth in literacy and math as evidenced by AimsWeb literacy measures, MAP Reading/Math and Classroom Based Measures (CBM).

The federal Elementary and Secondary Education Act (ESEA “No Child Left Behind”) creates additional reporting requirements. You can view school, district, and state data, with a range of information, at the OSPI website: www.k12.wa.us. This information is also available at each school.

ASB

The Cherry Valley Associated Student Body (ASB) includes representatives from every 1st through 5th grade classroom. They plan and promote All-School Spirit Days such as Dress-Alike Day and Crazy Hair Day. The ASB also plans and promotes service projects that benefit local charities.

Financial Resources

Cherry Valley Elementary operates on an average annual budget of approximately $38,937 based on a full-time equivalent student enrollment of approximately 500.

Funds are distributed in the areas of Learning Resource Center, general office supplies, paper and copying, textbooks, and teacher resource supplies as needed for the basic operation of the school.
Student Services

Cheetah Club
Cheetah Club is the on-campus before and after school care program open to K-5 students from Cherry Valley and ERMA. As an enrichment-based center, students have many opportunities to explore new areas of interest in a safe and nurturing environment with experienced district staff. Children play an active role in planning projects and activities. This helps to improve confidence, character and leadership skills. Students have numerous opportunities to practice teamwork, explore their creativity, learn empathy, develop multi-age friendships, and improve reasoning and conflict resolution skills. Club activities include Mad Science, Lego Masters, Artist Palette, Cooking Club, Star "Books" Café, Homework Club, Fit-n-Fun, Movie Club, Writers Block, Physical and Brainiac Challenges.

PTA
Cherry Valley is especially strengthened through its relationship with the Cherry Valley PTA. Each year, our active PTA organizes and coordinates hundreds of volunteer hours for activities such as vision and hearing screenings, school pictures, the Back to School Bash, bingo and skate nights, the Cheetah Walk and Jump-a-thon, Reflections, Staff Appreciation Week and the Art Docent program. Cherry Valley PTA has an annual budget of more than $40,000 to support programs, projects, and additional materials that enhance the educational quality of our students, such as our after-school enrichment classes and reading programs.

PROJECTED COSTS TO EDUCATE STUDENTS IN THE RIVERVIEW SCHOOL DISTRICT 2014-15.

How is the money expended functionally?

- Other programs, $323,632, 1.0%
- Administration, $2,607,274, 8.1%
- Direct classroom support, $23,802,403, 73.6%
- Indirect classroom support, $5,587,433, 17.3%
