Welcome to Carnation Elementary.

With a focus on daily student learning, arts, and positive supports for change, Carnation Elementary is a unique place for the children and adults who come through our schoolhouse doors. Student learning is characterized by student engagement, effective instructional strategies, and positive student choices in their learning and behavior. Classroom instruction, art docents, speakers and guests combine to support our students in their learning. Positive supports happen in our school wide behavioral expectations, recess clubs, an active Associated Student Body, classroom/program volunteers, an active PTSA, and the focused use of the resources of time, people, and money.

It is in the area of daily learning that Carnation Elementary truly shines. Our staff is very intentional in knowing each and every child in order to help that child’s learning. As these relationships are developed, we continue to examine, refine and improve our practices in order to help our students in their academic, behavioral and social learning. The result of the above actions is a school environment that supports and challenges children and adults in their learning.

Carnation Elementary is an exciting place to learn and grow. We welcome you as a parent, guardian, volunteer and visitor. When you have a chance to visit us, please check in at the office. We look forward to sharing our school and our work with you.

Sincerely,

Dr. Randy Stocker
Principal

“Building Bridges to the Future”
Mission Statement
Teaching All Students, Reaching All Students!

Vision
At Carnation Elementary we will:

- **Provide** a caring, safe, and nurturing environment for all.
- **Engage** students in active, hands-on, and meaningful learning experiences to promote thinking.
- **Model and promote** life-long learning.
- **Demonstrate** academic success, good character, responsibility, self-confidence, and an appreciation for diversity.
- **Encourage** and **solicit** parental and community involvement and support.

School Improvement Plan 2015-16:
The School Improvement Plan has the goals of increasing student understanding and application of all content areas, most specifically in the areas of English/Language Arts and Mathematics. We use a range of classroom, district, and state formative and summative assessment measures to guide our instruction. We also have a goal of improving positive student behaviors through a school wide behavior expectation program that focuses on the explicit instruction of desired behaviors and on catching students in the act of demonstrating positive behavior.

At the building level, this translates into the use of a wide range of data to identify students in need of instructional support, intervention, and learning extensions.

Targeted intervention, through our resources of Title I, LAP, Resource Room, Solution Room, Counselor, and Nurse, allow us to address areas of need for identified students.

Finally, the School Improvement Plan has a clear focus on the professional learning of our staff, primarily through district initiatives and the professional growth lens of the state’s teacher and principal evaluation system.
Facility Information

Carnation Elementary is located on Hwy 203 and Morrison Street within the northern boundary of the City of Carnation, Washington, about 25 miles east of Seattle.

The wonderful elementary school has seen numerous changes and additions to its structure. Most recently, in the spring of 2010, the school was updated with new HVAC units, fresh paint, and new carpeting. Additionally, the Intermediate Wing was completely remodeled and modernized during the 2010-2011 school year.

Financial Resources

Carnation Elementary operates on an average annual budget of approximately $26,920 based on a full-time equivalent student enrollment of approximately 345. Funds are distributed in the areas of the Learning Resource Center, general office supplies, paper and copying, textbooks, and teacher resource supplies as needed for the basic operation of the school.
Student Offerings
Carnation Elementary hosts a broad range of programs and resources to support students in their learning. We feel fortunate to host the following educational programs are housed at Carnation Elementary:

- District Early Childhood Special Education Preschool
- All-Day Kindergarten
- District Program for the Academically Talented (PAT)
- K-5 Classrooms
- Library, Music and Physical Education
- Special Education, LAP, and Title I programs
- Elementary District Orchestra Program

Additional Learning Opportunities
Carnation Elementary offers many opportunities for students to be engaged in extra-curricular activities. Our Associated Student Body sponsors and leads assemblies and school-wide activities for the student body. Our PTSA provides after school enrichment activities and family activities. Our PTSA is also a strong partner in our work with students, providing grants that staff can access for student learning and engagement. Carnation Elementary also has partnerships with outside agencies, including King County Green Schools, Oxbow Farms, and the King County Library System.

Projected Costs to Educate Students in the Riverview School District 2015-16

How is the money expended functionally?

- Other programs, $324,399, 1%
