

**Riverview School District
Board of Directors' Work Study
February 3, 2017
Raging River Café
Fall City, Washington**

The Riverview School District Board of Directors held a Board Work Study on February 2, 2017, at the Raging River Café in Fall City, Washington.

Present: Lori Oviatt, Sabrina Parnell, Danny Edwards, and Dr. Anthony Smith

Mr. Edwards began the meeting at 7:00 AM.

The Board discussed the following:

- King 5 Feature
Typical of how news works this Town Meeting, Duvall, was set up by KING who basically called all participants individually. Sue Linerooth, Amy Ocherlander (Duvall Council), Anthony Smith (RSD Superintendent), Carey Hert (Duvall Police Chief), Ray LaBate (CHS Principal, Will Ibershof (Duvall Mayor). The wonderfulness, partnerships, family friendly, community centered atmosphere and culture was shared by all. Super positive. Biggest challenge? Traffic
- Superintendent Office Gets “the Bug”
Sandy Bechtel and Dr. Smith have been pushing hard, moving systems forward. Both of us are past the half-way point with this cold/flu bug.
- Governor’s Visit
The Governor’s visit was outstanding. Thanks to Carol for helping Dr. Smith co-facilitate. Inspirational stories told by CLIP students and Staff during the roundtable phase. Governor Inslee has been a powerful force the last couple of months with both his words and actions. Thanks to board members who helped set this up. We are definitely on the radar and on the forefront of positive student-centered change in public education.
- Budget Planning
We are continuing the inclusive, collaborative, transparent budget process I instituted the second year of the superintendency. We are now posting critical additional hires such as a nurse.
- Duvall Annexation and Growth Town Hall Meeting
Dr. Smith sent you information last night, late. This will occur on Wednesday, March 15th, in the ESC and is part of a series of meetings scheduled by the City of Duvall. Riverview will have a table and speak to its plans around growth of schools and other topics. He would love to have a board member or two there if possible and plausible.
- Central Office – Principal Communication

Dr. Smith is working with some of our Central Office administrators and district supervisors on better communication and principal support. This mainly involves completing communication loops and reducing principal time on bureaucracy and increasing principal time on student health, safety, and learning.

- REACA Negotiations
Going very well.
- Legislative Conference
Sandy Bechtel and Dr. Smith are working on perfecting our brochures. Looking forward to it!
- Possible Building Purchase Opportunity

There was no action taken.

The meeting ended at 7:55 AM.

**APPROVED BY THE RIVERVIEW BOARD OF DIRECTORS AT THEIR
REGULARLY HELD MEETING ON FEBRUARY 14, 2017.**
