

VIDEO SURVEILLANCE ON SCHOOL GROUNDS OR PROPERTY

The Riverview School District is committed to nurturing a safe, caring and positive environment. Consequently, the health, safety and well-being of students and staff while on district property and attending district functions and the protection of district property are important functions of the School District. The monitoring of individuals who enter upon the school grounds or school property is a significant factor in maintaining order and discipline and in protecting students, staff, and visitors on District property.

The Riverview School District recognizes the value of video surveillance systems and monitoring activity on school property or on school grounds, and its use in the maintenance of order and discipline within the school setting. Accordingly, the Board authorizes the use of video surveillance practices, in accordance with the established procedures (P6550-1). It is anticipated that this policy will encourage individuals to demonstrate respect for themselves, others and their surroundings.
