

OPERATIONS AND MAINTENANCE OF SCHOOL PROPERTY

A. Facilities Maintenance

Facilities are to be maintained and operated in a safe, healthful condition and to preserve the district's investment. The superintendent will provide for a program to maintain the district physical plant by way of a continuous program of repair, maintenance and reconditioning. Budget recommendations will be made each year to meet these needs and any such needs arising from an emergency.

B. Infrastructure Management

The Riverview Board of Directors also desires to maintain the infrastructure of district facilities.

In order to assure state funding for facilities constructed new or new-in-lieu-of after 1994, the board of directors will adopt an Asset Preservation Program. The Asset Preservation Program will preserve the district facilities by employing a system of predictive, preventative, and proactive processes.

Annually, the superintendent will report to the board on the condition of the facilities and the effectiveness of the Asset Preservation Program. Every sixth (6) year, an independent assessment will be conducted and reported to the board and the Office of Superintendent of Public Instruction.

Additionally, the superintendent or designee will develop a process to evaluate all pre-1994 facilities for possible participation in the asset preservation program.

For initial participation in the Asset Preservation Program, the board will submit a resolution to the Office of Superintendent of Public Instruction committing the district to implement the program.

The superintendent will develop procedures for the Asset Preservation Program.

C. Destruction of School Property

Staff will insure that buildings, grounds, equipment and furniture are not abused. Students or nonstudents who abuse school property may be disciplined and required to pay for the damage incurred.

The superintendent will establish procedures for the investigation and reporting of damage or loss and will initiate action to collect for damages. A student's grades, transcript or diploma may be withheld until restitution is made.
